

Mini Beasts at Currumbin Wildlife Sanctuary

Are you studying a unit on Invertebrates this year? Why not bring your students to Currumbin Wildlife Sanctuary and Honeyworld for a specialised mini beast experience?

Children will learn about these unique, tiny creatures in our rainforest room. Some of the invertebrates used include stick insects, spiders, worms, beetles and crickets.

This presentation is delivered by an experienced Currumbin Wildlife Sanctuary Education Officer who will bring out the invertebrates one by one and deliver information about each species. We will teach various topics on request, including: Habitat, Life Cycles, Life Span as well as fun facts like name, age and favourite food!

Your booking also includes a visit to Super Bee Honeyworld which is conveniently located directly across the road from Currumbin Wildlife Sanctuary (a one minute walk from our front gate). This session will include seeing the “wall of bees”, learning about the Queen bee and her drones and a Live Bee Show performed by one of the experienced bee keepers.

Book now to offer your students an “up close” insect encounter.

Please call our Education Team on 07 5534 0846 / email

education@cws.org.au

Or, simply fax the bookings form overleaf to 07 5598 1764 with your date preference and we will contact you with a confirmation.
