---	---	---

Currumbin Wildlife Sanctuary is proud to offer outstanding value for money, educational programs to Scout and Guide groups. Our main objective is to work with Leaders, to develop children's life long learning through knowledge and understanding, investigation, communication and reflection.

We understand that it is the aim of all groups to be able to gain badges as a part of their visit to the park. As each groups needs are different from the next, we are happy to work with leaders to make sure that you will be able to focus on the areas that are your highest priority.

Please contact our education staff to discuss the options that are available and they will give you plenty of good advice to help plan your itinerary for the day. Ph: 5534 0846
